RECLAIM YOUR VITALITY BY ACHIEVING YOUR HEALTHY DIET GOALS WITH V-XLIM.

V-XLIM is the ultimate choice for a healthy and balanced diet beverage. Expertly formulated with your well-being in mind, it offers numerous benefits to support your nutritional needs and weight management goals. V-XLIM help your body absorb less fat from the meals you consume, creating a perfect balance to help you look and feel your absolute best.

HEALTH BENEFITS OF V-XLIM

-Enhances bowel movements and detoxification:

Improves bowel movements, aiding in toxin elimination while boosting the body's natural fat-burning process.

-Meal replacement :

Functions as a fruit juice meal replacement, helping to control appetite and regulate normal food intake, preventing overindulgence.

-Alleviates constipation :

Help relieve constipation, removes excess water, and support detoxification.

-Brightens skin appearance :

Improves skin appearance following the detoxification process.

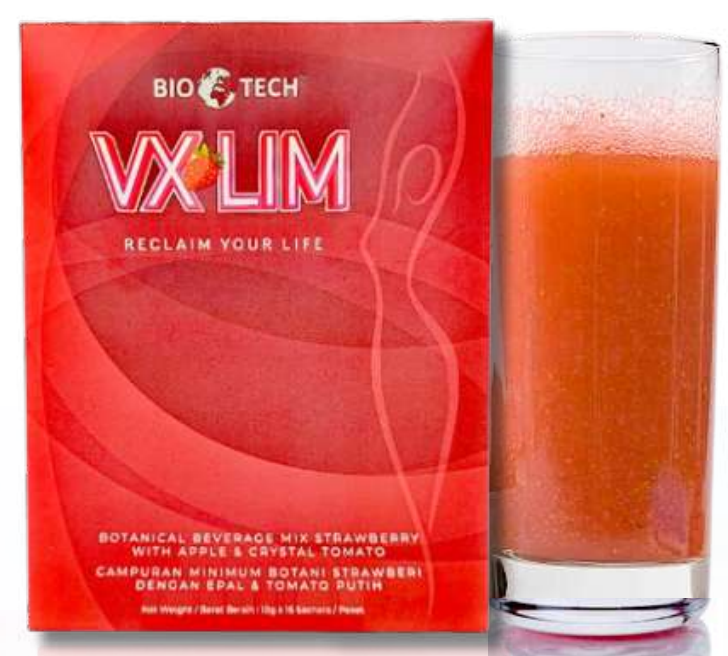

-Lower cholesterol levels:

Contributes to reducing cholesterol levels.

-Reduces waistline:

Assists in reducing waist size, promoting a healthy and active lifestyle.

The VX LIM logo is rendered in large, 3D, pink-outlined letters. A fresh strawberry is placed behind the 'X' and 'L'.

Strawberry is a widely grown hybrid species of the genus *Fragaria*. It is cultivated worldwide for its fruits. The fruit is widely appreciated for its characteristic aroma, bright red colour, juicy texture and sweetness. This healthy edible fruit contains antioxidants that provide protection by neutralizing free radicals. Strawberry is an excellent source of Vitamin C, Minerals, Magnesium, Flavonoids, Vitamin B2, B5, B6 and the value of ORAC is 1540 /100g. It is a natural and clever way to introduce extra fruit into the diet, as well as being a natural, safe colouring and flavouring. It is free of saturated fats, sodium, and cholesterol, made from 100% strawberries. And it's perfect to make cold drinks.

Strawberry Powder

Apple powder is rich in carbohydrates, vitamins and minor elements, among which, the content of VA and Carotene are really high. Moreover, they have abundant water-soluble food fiber-pectin, which can be used to protect intestinal walls, activate useful bacteria within intestines, adjust gastrointestinal functions, as well as to absorb moisture, eliminate constipation, stabilize blood sugar, beautify the skin, adsorb gall and cholesterol, and whose effect on preventing hyperlipidaemia, hypertension and hyperglycemia, cleaning up intestinal tracts and preventing colorectal cancer. It made from high-quality apple extract, with the freeze drying process. 100% natural without any other additives, excellent fluidity and solubility.

Apple Powder

Psyllium Husk

Psyllium Husk is the outer coating of seeds derived from the plant genus *Plantago*. It is a natural, water-soluble fiber. It primarily grown in India is known for being a natural herb plant. Psyllium Husk is a type of fiber that acts as a gentle, bulk forming laxative. Possible benefits range from relieving constipation and treating diarrhea to managing blood sugar levels and boosting heart health. It is similarly to other soluble fiber, passes through the small intestine without being completely broken down or absorbed. Instead, it absorbs water and becomes a viscous compound that benefits constipation, diarrhea, blood sugar, blood pressure, cholesterol, and weight loss.

BIO  TECH

Red beet

Red Beet is one of the most encountered types of beets in North America and Britain. It is rich in essential vitamins and minerals, including vitamin A, vitamin B, vitamin C, folic acid, iron, fiber and magnesium. Red Beet's high fiber content promotes the growth of beneficial bacteria in your gut, supporting a healthy digestive system. A robust population of good bacteria help fight disease and boost your immune system. Additionally, the fiber in Red beets improves digestion and reduces the risk of constipation.

Aloe Vera is a succulent plant species that has long been a popular houseplant, often referred to as "miracle plant" or the "natural healer". It has been used in herbal medicine since the beginning of the first century AD. Extracts from Aloe Vera are widely utilized in the cosmetics and alternative medicine industries, marketed for their rejuvenating, healing and soothing properties. It helps with :

- Eliminating waste material from the body and promoting blood circulation.
- Relaxing the bowels and expelling toxins.
- Anti-aging.

Aloe Vera

Crystal Tomato is an heirloom indeterminate tomato variety. It is beefsteak-type tomato with a creamy white flesh and skin. The fruits turn slightly yellow as they ripen. Its low acid levels give it a sweet, fruity flavor. Crystal Tomato is a hybrid of different tomato varieties. With high levels of antioxidants and vitamin C, it provides a protective barrier against chronic disease and harmful UV rays, aiding in everything from skin to body health. High levels of fiber have also been found in Crystal Tomato, aiding in weight loss, promoting healthy digestion, and lowering cholesterol levels.

QUESTION 4

HOW DOES V-XLIM HELPS WITH GASTRIC GAS?

V-XLIM improves digestive health by tackling gastric gas through its high fiber content and detoxifying ingredients. The fiber regulates bowel movements, easing constipation and reducing gas buildup. Ingredients like Psyllium Husk and Red Beetroot aid in detoxification, flushing out toxins and minimising bloating. With added prebiotics and probiotics, V-XLIM supports a healthy gut environment, enhancing food digestion and reducing gas production. By stabilising blood sugar levels, V-XLIM further promotes digestive comfort. Overall, V-XLIM's holistic approach helps alleviate gastric gas and enhances overall digestive well-being.

VX  LIM

QUESTION 5

IS V-XLIM BENEFICIAL FOR BODY WITH HIGH ACIDIC CONCENTRATION?

Yes, V-XLIM can be beneficial for a body with high acidic concentration. Its high fiber content plays a crucial role in promoting a healthier colon, improving the absorption of water and minerals in the intestines, and aiding in the removal of waste and toxins from the body.

Additionally, the fiber content helps regulate bowel movements, reducing constipation and promoting regularity. These benefits not only support digestive health but also contribute to balancing the body's pH level, which is essential for overall well-being, especially for individuals with high acidity levels.
